

To narrow results, use the filter boxes (slicers) below. To select multiple categories, hold down the control key and click on the categories

To clear a filter, click the "x" in the upper right hand corner of the filter box

This report is organized by Product/Service Code (PSC), then by PSC Description, then by Contract Number.

Report includes contracts reported in FPDS. Data elements are pulled from multiple sources (e.g., PD2, FPDS) to provide the most complete report on active contracts
